Ratio/relation between the advertised vacancies for direct recruitment and formation of select panel

2890. DR. R. K. PODDAR:
DR. G. VIJAYA MOHAN REDDY:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what is the ratio/relation prescribed by the Department of Personnel, Public Grievances and Pensions between the number of vacanpcies of a post advertised for direct recruitment by a department as also autonomous organisations like Kendriya Vidyalayas Sangathan, and for which a select-panel is to be prepared;

(b) what are the details in this regard;

(c) what is the life of a panel prepared therefor;

(d) whether there is any provision for preparation of a reserve panel; and

(e) if so, length, life and mode of executing the reserve panel?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI P. SHIV SHANKER): (a) to (e) In Government of India the Selection Committees are required to prepare the select panel for direct recruitment to the extent of declared number of vacancies. There is no limit on the period of validity of the list of selected candidates prepared to the extent of declared vacancies. In case, the size of the select panel exceeds the declared number of vacancies, the names of the persons exceeding such declared vacancies should be treated as being in the reserve panel for being operated against the drop outs.

The Board of Governors, Kendriya Vidyalaya Sangathan at its 53rd meeting held 13.7.1989 decided that the size of the select panel should be 50 per cent more than the actual vacancies notified which will enable the Kendriya Vidyalaya Sangathan to provide full complement of teachers to Kendriya Vidyalayas.

Migration of country's talent

2891. SHRI VIRENDRA VERMA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that according to the recent assessment, the

migration pattern of country's talent to other countries in the fields of Doctors, Engineering Gradauates and other Mechanical, Civil and Aeronautical disciplines at the end of 1988, is on the rise, if so, the annual percentage of rise in the migration of country's talent;

(b) to what extent the trans-national companies and their subsidies in the country are responsible for this phenomenon; and

(c) what measures have been taken by Government so far to check brain drain and to identify the drawbacks, if any, in our system?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI P. SHIV SHANKER): (a) and (b) As per the available information, the migration of country's talent is more or less static during the last few years.

(c) A statement giving the various measures adopted by the Government is attached.

Statement

Measures taken by Government to attract back those settled abroad

The Government (DST) is trying to work out methods of attracting Indian scientists and technologists who during the past few years have gone to other countries. However, a number of measures had been taken from time to time in the past to attract Indian scientists and technologists settled abroad to come back to the country. Some of these are:

—Programmes have been launched through which 'core' groups of scientists are created in the country with all necessary modern facilities required for pursuing research in new and frontier areas of science.

—There is a provision for temporary placement of scientists and technologists under the scheme of Scientists Pool.

—A provision has also been made for creation of supernumerary posts.

—Facilities to import equipment have been provided to the scientists and technologists returning from abroad.

—With a view to assisting non-resident Indians to secure expeditious clearance of their applications for setting up of industrial units in the country, a Special Cell has been created in the Ministry of Industry.

—Delegations of enhanced administrative and financial powers have been made to scientific institutions to improve working conditions of scientists.

—New scientific departments/organisations such as Departments of Bio-technology, Ocean Development, Environment, Non-conventional Energy Sources, Centre for Development of Telematies (CDoT) etc. have been set up and some of these are in high technology areas, which are likely to provide opportunities for scientists and technologists and attract them into the country.

—Total outlay for science and technology has been increased in the successive Five Year Plans.

Scheme of Council of Scientific and Industrial Research to attract Indians settled abroad

C.S.I.R. has started a scheme called 'Transfer of Know-how through Expatriate Nationals (TOKTEN). Under this scheme the Government of India pays international air fare and subsistance allowance to Indians during their visit to Indian Institutes and Industry

for transfer of technical know-how and generating professional inter-action in the hope that this would pave the way for their eventual return.

Violation of Rules in Conducting 10th National Regatta by National Optimist Association, Bombay

2892. SHRI PARVATHANENI UPENDRA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that there were great irregularities and violation of rules in conducting 10th National Regatta by the National Optimist Association at Bombay in May, 1989;

(b) whether Major A. K. Singh, Coach and Secretary, acted as one-man Committee, in the absence of Race Committee, as per International Yachting Union rules and assaulted two young sailors of Andhra Pradesh and also prevented them from seeking medical aid and threatened suspension from further sailing;

(c) whether it is also a fact that the Governor of Andhra Pradesh has also forwarded the representation of the parents of the minor sailors who participated in the regatta;

(d) whether Major A. K Singh has acted malafied and with the intention of preventing the Andhra Pradesh sailors from being selected to represent the country at Beijing while promoting the selection prospects of the children of the office bearers of NOAI and the senior officers of the Corps of Engineers; and

(e) whether Government have ordered an enquiry into the matter; if so, what are the results thereof; if not, the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENTS OF YOUTH AFFAIRS AND SPORTS AND WOMEN AND CHILD DEVELOPMENT IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI MARGARET ALVA): (a) and (b) The 10th National Regatta was conducted by the Yachting Association of India which is an autonomous organisation and the conduct of the National Championships is their reponsibility. The Yachting Association of India have informed us that the Championship was conducted in the best traditions of the sport.

(c) Yes, Sir.

(d) and (e) Since the representation concerns the conduct of the Championship, a copy has been forwarded to the Yachting Association of India to take appropriate action.

Eve-teasing by DTC Crew

2893. SHRI MURLIDHAR CHANDRAKANT BHANDARE:

SHRI MAHENDRA PRASAD:

Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) whether Government's attention has been drawn to the news report dated June 28-29, 1989 regarding molestation of 2 girls by the conductor and driver in an empty DTC bus on route No. 511;

(b) if so, what are the details in this regard; and

(c) what steps have been taken or are proposed to be taken by Government to prevent such cases in DTC buse by its employees in particular and others in general?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI RAJESH PILOT): (a) and (b) On 29-6-89, the conductor of a Bus on route 511 teased two girls and the driver of the bus did not stop the bus when requested by the girls at Sector VI of R. K.
